

Introducing the **£1.5m**

VocTech
CHALLENGE
Impact Network + Grant Fund

ufi.co.uk/challenge-grant

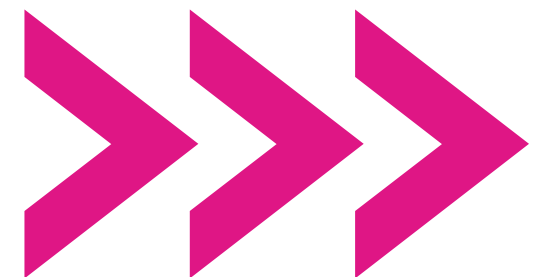

VocTech
CHALLENGE
Impact Network + Grant Fund

Receive grant funding of
£200k to £250k and join an
expert-led **Impact Network**.

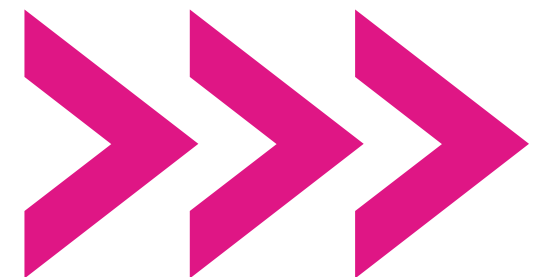

ufi.co.uk/challenge-grant

**Projects must tackle one of
three UK skills challenges...**

ufi.co.uk/challenge-grant

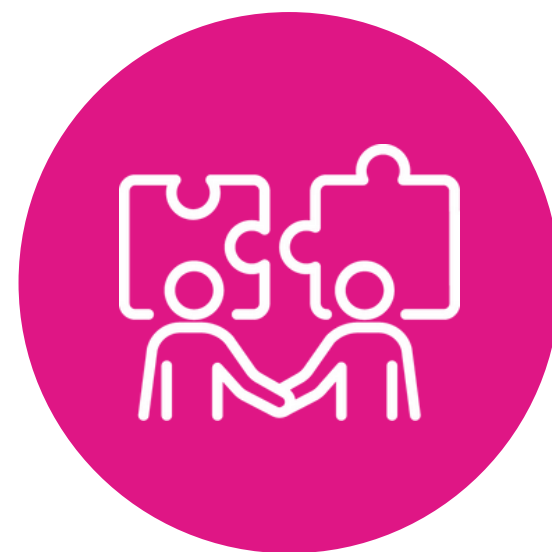

1. Employer integration

How can technology be used to integrate and reflect employers' changing needs so that the skills of the available workforce better reflect the needs of local employers?

ufi.co.uk/challenge-grant

2. Pathways into and within work

How can technology be used to increase the visibility, accessibility and uptake of pathways from learning into work, or from one type of work into another, particularly in regional growth sectors?

ufi.co.uk/challenge-grant

3. Vocational language barriers

How can technology be used to support adults with in-demand vocational skills, but who don't speak English as their first language, gain the industry-specific English required by employers?

ufi.co.uk/challenge-grant

**Successful applicants will join
a network of organisations
working alongside each other
as part of an active, expert-led
Impact Network.**
